- Measurements are width x height unless specified.
- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

Directions:

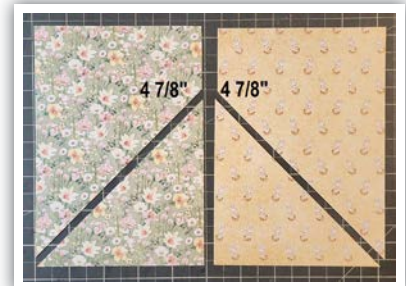

- For each card & envelope, you will need three 8" x 8" papers. It makes easy to recreate these cards with your favorite papers, you only need to select three papers that match for you.
- Use two *Bundle of Joy* papers to trim the cards and borders and one *Just Arrived* paper to trim the stamps.
- For all the envelopes, after finishing each card, will have a left over piece enough to fit on the envelope flap. (7¼" x 2½") Use a couple stamps to decorate the front of the envelope (unless you plan on mailing the cards).

~ Twisted Easel Card No. 1

1. Place the card in vertical position and make a mark with a pencil on the right edge at 5" from the bottom edge and score a line between this mark and the bottom left corner. Fold the triangle under the score line.

2. Cut a 4⁷/₈" x 6³/₄" piece of *Hello Baby*, make a mark on the right edge at 4⁷/₈" from the bottom edge and trim a line between the bottom left corner and this mark and add the upper section to the front of the card. Cut a 4⁷/₈" x 6³/₄" piece of *Just Arrived*, make a mark on the left edge at 4⁷/₈" from the bottom edge and trim a line between the bottom right corner and this mark.

3. Switch the triangles of both pieces, and add them to the front of the card and on the opposite side as shown. You will need to trim a little bit of the bottom piece to fit well, this is because of the gap that we have on the score line of the easel.
