### Tools, Adhesives & Ink:

Paper trimmer, scissors, scoring tool, bone folder, ruler, pencil, various adhesives, foam adhesive, hole punches ( $\frac{1}{4}$ ",  $\frac{5}{8}$ ", 1") corner rounder, optional: coordinating ink and applicator

### Notes:

- All measurements are width x height, unless specified.
- When cutting papers, be mindful of the pattern direction.
- If desired, use coordinating ink to distress paper edges.

### Directions:

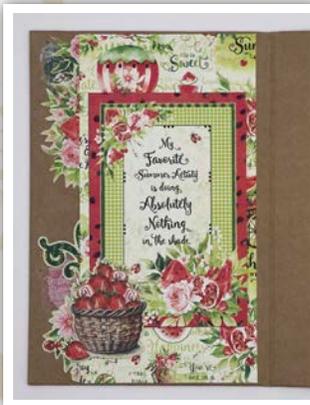

1. Take *Time to Relax* and cut a  $4\frac{1}{2}$ " x  $8\frac{7}{8}$ " piece from the left side of the paper. Remove 4" x 6" "My Favorite" cut-apart from *Enjoy the Ride*, being careful to leave all other borders and cut-aparts intact. Score  $\frac{1}{2}$ " from the top horizontally; center and adhere just the  $\frac{1}{2}$ " scored section. Adhere basket ephemera to the lower left corner. Save the leftovers from this *Enjoy the Ride* paper for borders and cut-aparts throughout the album.

2. Find the long watermelon garland, small bouquet, and small flourish ephemera pieces. Locate the rub-on images in the photo.

3. Open the album; the inside left cover should have a magnet. Apply rub-on images to the far left side. Trim the long garland, then adhere all ephemera pieces, being sure not to cover the magnet area. Save leftover garland ephemera for step 32. Then adhere *Time to Relax* paper so that it is 1 1/4" from the cover's left side. (You're welcome to temporarily place the paper on the album first, to help guide where to place rub-ons and ephemera.)

4. Locate *Good Old Summertime*. Cut a 1 3/8" x 8 7/8" and one 1 1/8" x 8 7/8", flipped to its b-side. Save leftover paper for steps 30 & 34. Take *Smiles For Miles* and cut a vertical strip of cut-a-parts; trim to 2 1/4" x 8 7/8". Save leftover paper for step 16.

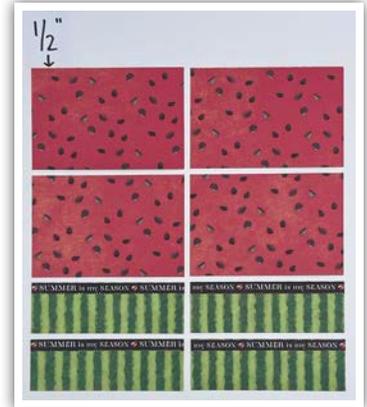

5. Remove bicycle image from leftover *Enjoy the Ride*, trimming image down to its green border and fussy cutting around the tires. Then set aside the rub-on images in the photo.

6. Close the album's inside right cover, so that the magnetic side is face up. Apply rub-on images to the far right side. Then adhere just the top and bottom of *Good Old Summertime* and *Smiles For Miles*

papers, starting about 1/16" from the left side. Insert bicycle image.

7. Find your second *Smiles For Miles* (b-side) and cut a 4 1/2" x 12". Trim into four 4 1/2" x 3". Score each piece vertically at 1/2" from the left. Save leftover paper for step 17. Take *One in a Melon* (b-side) and cut two 12" x 1 1/2" pieces; trim into four 4 1/2" x 1 1/2". Save leftover paper for step 36. Cut four 4 1/2" long "Summer" borders from leftover *Enjoy the Ride*, then adhere on top of Melon papers.

8. Take your second *One in a Melon* (b-side) and trim off a 12" x 8"; trim off one 2" x 8" piece. Use this piece to

create (8) hole reinforcers. Punch 5/8" holes, then use a 1/4" punch to create smaller holes in the center. Locate stamp and small cherry ephemera. Save four hole reinforcers for step 15. Keep leftover 12" x 4" *One in a Melon* for step 20 and 10" x 8" (b-side) for step 22.

9. Locate *Easy, Peasy, Summer Breezy*. Trim off the two sets of 3" x 4" cut-a-parts, but keep the images together as one piece measuring 6" x 4". Score each set vertically at 3". Then, punch a 1/4" hole in the top middle of the right image of each set. Adhere the front and back of the hole and back of the hole reinforcer. Then tie a bow through each with one 12" satin trim.

10. Mini pockets: Adhere a cherry to the upper right corner. Adhere the left, bottom, and right sides of a 4½” x 3”

1½” *One in a Melon* (b-side) paper to the bottom of the pocket. Trace the half-moon shape of the pocket onto a 4½” x 3” *Smiles For Miles* (b-side); remove the shape, then adhere just the scored section. Insert stamp, then trim any paper that sticks out. Repeat for the back side and other mini pocket. Fold *Easy, Peasy, Summer Breezy* papers in half; insert into pockets.

11. Take *Sweetest Memories* (b-side) and cut a 5½” x 12” piece; trim into two 5½” x 5¼”. Remove a watermelon slice border from leftover *Enjoy the Ride* and cut two 5½” long pieces; adhere on top of papers. From leftover *Enjoy the Ride*, remove 2⅞” x 3⅞” “Happiness” and “Watermelons are Smiles.” Adhere

strawberry ephemera on top of each cut-apart.

12. Locate your second sheet of *Good Old Summertime* (b-side) and cut a 4½” x 12” piece; trim into two 4½” x 3½”, then round the bottom left and right corners. Save leftover paper for step 15. Cut two 4½” grosgrain trim; adhere to the top of *Good Old Summertime* (b-side) papers. Adhere “Smile” and “Life is Sweet” ephemera.

13. Take leftover *Sweetest Memories* from step 11 and cut a 4½” x 12” piece. Trim into two 4½” x 6”. Find *Sunshine on My Mind* (b-side) and cut a 12” x 5⅝” piece; trim into two

3⅞” x 5⅝”. Score both pieces at ½” from the left vertically; adhere just the scored section onto the *Sweetest Memories* paper. Adhere small rose circle ephemera to each. Save leftover paper for step 16.

14. Large pocket #1: Apply the bicycle rub-on to the top of pocket #1. Adhere the left, bottom, and right sides of a 5½” x 5¼” *Sweetest Memories* (b-side) to

the bottom of the pocket. Trim excess paper. Adhere the left, bottom, and right sides of *Good Old Summertime* (b-side), then insert “Happiness.” Insert one 4½” x 6” *Sweetest Memories* pull-out into the upper pocket. Repeat for pocket #2 using the watermelon cart rub-on image and remaining pieces.

15. Find leftover *Good Old Summertime* from step 12; cut a 4½” x 12”. Trim into two 4½” x 6”; flip one over to its b-side. For both tags: Mark 1” from the top on the left side, then

1” from the left on the top side. Draw a diagonal line to connect the marks and cut. Repeat for the upper right. Punch a ¼” hole in the top center. Adhere hole reinforcements front and back. Attach 12” of satin trim.

16. Large pocket #1 (back): Take leftover 12" x 6 $\frac{5}{8}$ " *Sunshine on My Mind* (b-side) and trim into two 5 $\frac{1}{2}$ " x 6 $\frac{5}{8}$ ". Find leftover *Smiles For Miles* from

step 4 and trim off two 5 $\frac{1}{2}$ " x 2 $\frac{7}{8}$ " pieces. Adhere one *Sunshine on My Mind* (b-side) so that it is  $\frac{5}{8}$ " from the top of the pocket. Adhere just the left, bottom, and right sides of *Smiles For Miles*. Insert a tag, then repeat for the other pocket.

17. Find leftover 7 $\frac{1}{2}$ " x 12" *Smiles For Miles* (b-side) from step 7. Trim into two 3 $\frac{3}{4}$ " x 8". Round the upper and lower right corners on one piece; round the upper and lower left corners on the other. Adhere ephemera. Then locate your second sheet of *Time to Relax* (b-side) and cut a 12" x 7" piece; trim into two 4 $\frac{1}{2}$ " x 7". Repeat rounded edges.

18. Take leftover *Time to Relax* (b-side) from step 17 and cut a 5" x 4" piece. Locate your second sheet of *Enjoy the Ride*. From the right side of the page, cut a 5" x 12" piece. Score 4" horizontally from the bottom. Save leftover paper for step 24.

19. Wallet Folio: Open your wallet folio. Adhere just the top and bottom sides of *Smiles For Miles* (b-side) papers to the large flaps so that they are centered and flush with the outside edges. Insert 4 $\frac{1}{2}$ " x 7" *Time to Relax* (b-side) papers. Fold 5" x 12" *Enjoy the Ride* over along

the score line; adhere just the 5" x 4" scored portion, along with the 5" x 4" *Enjoy the Ride* (b-side) pieces to the folio.

20. Locate leftover 12" x 4" *One in a Melon* from step 8; trim off two 5" x 4". Use a 1" hole punch to create a semi-circle in the center left side of one paper, and on the center right side of the other. Find your second sheet of *Easy, Peasy, Summer Breezy* (b-side). Pick two 3" x 4" cut-apart images of your choice; you may use the front or the b-side.

21. Remove 5" x 1 $\frac{5}{8}$ " "Sunshine" cut-apart from leftover *Enjoy the Ride*. Trim off 6" x 4" border cut-apart from leftover *Easy, Peasy, Summer Breezy*. Adhere just the left and right sides of "Sunshine" to the bottom of the *Enjoy the Ride* (b-side)

flap. Adhere large strawberry and cherry ephemera; insert cut-apart. Center and adhere just the top and bottom of the *One in a Melon* papers. Insert 3" x 4" *Easy, Peasy, Summer Breezy* (b-side) papers.

# Sunshine on My Mind – Interactive Folio Album

22. Find leftover 10" x 8" *One in a Melon* (b-side) from step 20. Trim into two 4 $\frac{3}{4}$ " x 8". Locate bicycle and watermelon stand ephemera; adhere just the bottom of these pieces to the paper, so that you

can tuck photos or journaling cards behind them. Trim off 6" x 4" "Summer Afternoon" from leftover *Easy, Peasy, Summer Breezy* and insert behind bicycle.

23. Close the large right flap. Center and adhere the 4 $\frac{3}{4}$ " x 8" *One in a Melon* (b-side) with the watermelon cart. Then close the large left flap and repeat with the other piece.

24. Locate leftover *Enjoy the Ride* (b-side) from step 19 and cut two 5" x 4". Adhere large "Sunshine" ephemera on top of one of the papers.

25. Close the small flaps. Center and adhere the 5" x 4" with the "Sunshine" ephemera to the bottom flap. Center and adhere the other paper to the top

flap. Then adhere large bouquet ephemera to just the top flap. Adhere wallet folio to the inside center of the album.

26. Find one of the waterfalls and rotate it so it's horizontal, and the scored side is facing left. Shorten each flap so that the new measurement for each flap is 4 $\frac{7}{8}$ " x 4 $\frac{1}{2}$ ". Next, you will separate the top three flaps from the bottom two. Lift up the top three flaps, then make a cut between the third flap and the top of the fourth flap. The top three flaps should have all  $\frac{1}{2}$ " scored sections underneath intact.

27. Label the waterfall with three flaps "1 - 3"; the folded side should face the left. Label the other waterfall "4 - 5" with the folded side facing right. Note: If the entire width of set "1 - 3" measures more than 5 $\frac{3}{4}$ " wide, you will need to shorten the flaps ever so slightly. For example, you may need to shorten flap #3 from 4 $\frac{7}{8}$ " to 4 $\frac{3}{4}$ ".

28. From leftover *Enjoy the Ride*, remove "Enjoy Life" cut-apart and green border as one piece. Adhere ephemera. Take your second *Sweetest Memories* (b-side) and cut two 4 $\frac{1}{2}$ " x 4". Cut a 1 $\frac{3}{4}$ " chevron trim; cut a 4" long "Easy Peasy" border. Adhere ribbon to the front and back of the paper so that it protrudes  $\frac{1}{2}$ " from the right side; adhere border. Flip the other paper to the a-side; adhere small ladybug ephemera to the lower right.

# Sunshine on My Mind – Interactive Folio Album

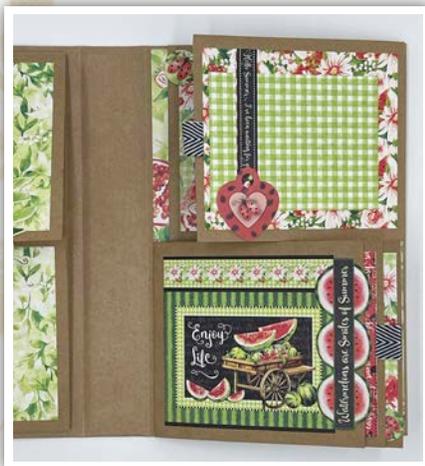

29. Cut two  $4\frac{1}{2}$ " x 4" from leftover *Sweetest Memories* (b-side). Cut a  $1\frac{3}{4}$ " chevron trim. Adhere the ribbon ends together, then adhere under the paper so that the ribbon protrudes by  $\frac{1}{2}$ ". Trim "Hello Summer" border from leftover *Enjoy the Ride* to 4"; adhere the top and bottom. Adhere heart to just the border. Then cut a  $3\frac{3}{8}$ " x 3" from leftover *Time to Relax*

(b-side) and insert. Flip the other *Sweetest Memories* paper to its a-side; adhere ladybug to the upper left.

30. Locate the following rub-ons. Apply them to the b-side of the flap number listed. For example, the large rub-on would be applied behind flap #1. Then, find leftover *Good Old Summertime* from step 4 and cut a  $5\frac{1}{4}$ " x  $8\frac{3}{8}$ " piece. Save leftover for step 34.

31. Horizontal waterfalls: Open folio to the inside right cover (magnetic side is the b-side). Adhere *Good Old Summertime* paper. Center and adhere papers from steps 28 and 29 to their corresponding flaps. Then adhere waterfalls. You can choose to adhere the waterfall with two flaps so it is either flush to the left or right sides of the page.

32. Take leftover *Easy, Peasy, Summer Breezy* and remove 6" x 4" "Life's a Journey" and score  $\frac{1}{2}$ " vertically from the left. Remove 6" x 4" "You're One in a Melon"; trim  $\frac{1}{2}$ " vertically off the right so it measures  $5\frac{1}{2}$ " x 4". Then score  $\frac{1}{4}$ " from the right vertically. Flip both papers over and adhere the small stack of watermelon ephemera and leftover garland from step 3. Do not let the ephemera protrude  $\frac{1}{4}$ " -  $\frac{3}{8}$ " past the papers' edges.

33. Left inside spine ( $\frac{1}{2}$ " scored sections face left): Adhere one mini pocket. Adhere 6" x 4" "Life's a Journey" directly above and spaced  $\frac{1}{8}$ " apart. Adhere one large pocket

so the scored section is flush against the other pieces. Right inside spine (all scored sections face right): Adhere one mini pocket. Adhere  $5\frac{1}{2}$ " x 4" "You're One in a Melon" (b-side)  $\frac{1}{8}$ " above the mini pocket, but  $\frac{1}{4}$ " to the right. Adhere remaining large pocket; it should be flush against the other pieces' scored sections. Keep all pieces as centered to the spines as you can.

34. Take leftover *Good Old Summertime* (b-side) and cut two  $1\frac{1}{2}$ " x  $8\frac{3}{8}$ "; center and adhere "Life is Sweet" and "Summer Love" ephemera. Then cut two 36" grosgrain trim.

## Sunshine on My Mind – Interactive Folio Album

35. Find your second *Sunshine on My Mind* and cut in half vertically at 6". Take your right side 6" x 12" piece and fussy cut along the outer border, being sure to include

floral bouquet. Make a horizontal cut on the right side that is 3½" from the top of the paper. Adhere the 3½" tall piece over the bottom piece so that the new height is 8⅞". Repeat for the left 6" x 12" paper.

36. Locate black melon border from leftover *Enjoy the Ride*. Cut two 4⅞" long pieces. Adhere borders under *Good Old Summertime* so they are flush with the paper and the outer edge.

Find leftover *One in a Melon* (b-side) from step 7 cut two 6" x 8⅞". Adhere beneath *Good Old Summertime*.

37. Back cover: Take the left 6" x 8⅞" *Sunshine on My Mind* and adhere ribbon behind the paper so that the trim is centered behind the two black borders on the paper, leaving 12" of trim hanging off the far left side.

(The borders will guide where the trim will wrap around the whole album.) Center and adhere over the back cover. Adhere one 1½" x 8⅞" *Good Old Summertime* (b-side) to the left outside spine, but do not cover the ribbon. The "Life is Sweet" sentiment should appear upside down.

38. Find the hot air balloon, watermelon cart, flowers, leaves, and large flourish ephemera. Cut the flourish so you have two pieces. Then assemble a flower to your liking.

39. Front cover: Attach balloon and cart with foam adhesive to the remaining 6" x 8⅞" *Sunshine on My Mind* paper, then adhere remaining ephemera. Adhere ribbon to the left spine. Then adhere it across the front cover so that it lines up with the trim from the back

cover. Adhere remaining papers. Tie ribbons together.
