Tools, Adhesives & Ink:

Paper trimmer, scissors, scoring tool, bone folder, ruler, pencil, various adhesives
Optional: coordinating ink and applicator

Notes:

- All measurements are width x height, unless specified.
- When cutting papers, be mindful of the pattern direction.
- If desired, use coordinating ink to distress paper edges.

Directions:

cut a 5" x 12" piece; trim off a 5" x 6 1/8" piece. Save leftover 5" X 5 5/8" for step 7. Find *Go With the Flow* and remove the 3" x 4" "Happiness Comes in Waves."

2. Locate the chipboard frames and pieces in the photo.

1. Find *Purple Violet Pattern* (b-side) and trim a 6" x 12" piece; cut off a 6" x 6 3/8". Save leftover paper for step 9. Take *Oceans of Love* and

3. Take *Seas the Day* (b-side) and cut a 12" x 7 3/8" strip; trim one 1 5/8" x 7 3/8", one 7 1/4" x 7 3/8", and one 1 1/2" x 7 3/8". Attach a small stamp sticker to the center of the 1 5/8" wide piece. Cut a 7 1/4" x 7 3/8" piece from your second *Seas the Day* (b-side).

4. Center and adhere *Seas the Day* (b-side) papers to the front and back covers and spines. (The 1 5/8" wide piece belongs on the left spine.) Layer and adhere remaining papers and chipboard pieces.

5. Open the album to the inside left cover. Feel around the far left side until you find the hidden magnet. Adhere one of the included magnets to the top of it, ensuring both magnets are attracted and not repelling one another.

6. Cut a $7\frac{1}{8}$ " x 5" from *You're Fintastic* (b-side).

Find *Sunshine Yellow Pattern* and cut a $7\frac{1}{8}$ " x 12" strip; trim off a $7\frac{1}{8}$ " x $2\frac{3}{4}$ " piece. Save leftover paper for step 18. Remove 6" x 4" "Let the Sea Set You Free" from leftover *Go With the Flow*; attach small stamp stickers to the left side front and back.

7. Adhere purple and yellow papers to the inside left cover. Cut a $5\frac{1}{4}$ " x 12" from *Turquoise Blue Pattern* (b-side); trim off a $5\frac{1}{4}$ " x 6" piece. Save leftover for step 11.

Trim 5" x $5\frac{5}{8}$ " *Oceans of Love* from step 1 to 5" x $5\frac{3}{4}$ ". Center and adhere over blue paper, then adhere to yellow paper only. Attach "Seas the Day" sticker; tuck 6" x 4" image behind mat.

8. Locate your album's side pocket; you will not use the entire piece. Instead, trim off a $1\frac{1}{8}$ " x 7" piece. Score horizontally $1\frac{3}{4}$ " from the top. Adhere a magnet about $\frac{3}{8}$ " from the bottom.

9. Find leftover *Purple Violet Pattern* (b-side) and cut one $1\frac{1}{2}$ " x $7\frac{1}{4}$ ", $1\frac{3}{8}$ " x $7\frac{1}{4}$ ", and two 1" x $5\frac{1}{8}$ ". Flip 1" x $5\frac{1}{8}$ " papers over to the pattern side.

10. Adhere purple papers to the two inside spines; wider piece goes on the left. Adhere the $1\frac{3}{4}$ " scored section of the kraft paper to the bottom center of the album. Adhere one 1" x $5\frac{1}{8}$ " *Purple Violet Pattern* on top. This is your waterfall closure.

11. Find *Coral Red Pattern* and cut two $6\frac{1}{4}$ " x $4\frac{1}{4}$ ". Repeat for leftover *Oceans of Love* and *Turquoise Blue Pattern*; add stamp stickers to blue paper. Remove 6" x 4" "Happiness Comes in Waves" from leftover *Go With the Flow* (b-side).

12. Center and adhere the waterfall. Adhere a second magnet to the top of the waterfall, ensuring that it will attract the

magnet in the closure. Center and adhere papers, alternating patterns. Once the adhesive has fully dried, flip up the closure. Adhere remaining 1" x 5 1/8" purple strip and "Go With the Flow" chipboard tag.

13. Take your second *Purple Violet Pattern* and cut a 7" x 7 1/4". Save leftover for step 15. Remove 3" x 4" "Seas the Day" and

turtle images from leftover *Go With the Flow*; flip turtle to b-side. Find large blue chipboard frame and blue fish. Adhere papers and chipboard to the inside right cover; attach coral sticker.

14. Find *Dive into Happiness* (b-side) and cut a 12" x 7 1/4" strip; trim into two 4 3/8" x 7 1/4" pieces. Attach flag and fish stickers to each. Take your second sheet of *You're Fintastic* and remove the two stamp borders; trim each to 7 1/4" long.

15. Locate a middle pocket; remove the 1/2" scored flap. Rotate pocket so the half-circle is facing right.

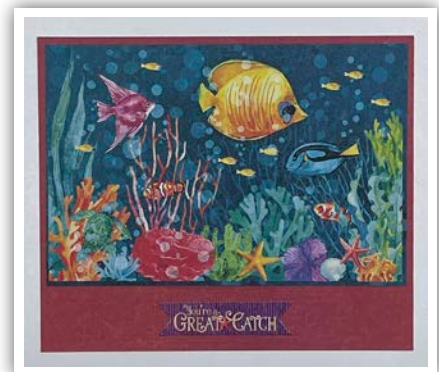

Trim 1/4" vertically off the left side. Take leftover *Purple Violet Pattern* (b-side) and cut a 1 1/4" x 7 1/4" piece; score vertically 1/2" from the right. Adhere just the 1/2" scored section to the left edge of the pocket, creating a flap.

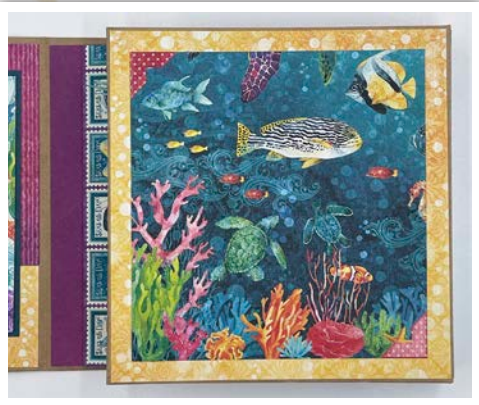

16. Adhere the flap to the left inside spine; it will cover half of the *Purple Violet Pattern* (b-side) previously adhered in step 10. Adhere a stamp border and

Dive into Happiness (b-side) to the right of the flap; repeat for the other side of the sideways pocket.

17. Find leftover *Coral Red Pattern* (b-side) and cut a 6 1/8" x 5 1/4". Remove 6" x 4" underwater fish image from leftover *Go With the Flow*; adhere to red paper 1/8" from the top. Attach "You're a Great Catch" sticker.

18. Locate the hidden magnet on the right cover; adhere another magnet on top of it. Then take leftover *Sunshine Yellow Pattern* and cut a $7\frac{1}{8}$ "

$\times 7\frac{3}{8}$ ". Find your second sheet of *Dive into Happiness*; cut a $6\frac{1}{4}$ " $\times 6\frac{1}{2}$ ". Center and adhere papers to the right cover. Attach photo corner stickers.

19. Apply glitter to the cover and throughout your album as you please.
