Notes:

- All measurements are width x height, unless specified.
- When cutting papers, be mindful of the pattern direction.
- These directions are for three cards. The steps are fun and simple. You can create three more cards following the same steps, using the remaining supplies and papers!

Directions:

1. Take the cards and fold them by the middle in the 8½" direction.

2. Place the card horizontally facing you. Trim a frame on the upper page of the card with ¾" width of each border. Save the section you are trimming out because we will use it ahead.

~ Card No. 1. "I Love You"

1. Cut a 5⅝" x 4⅛" piece of *Enchanted Frocks* paper (b-side) and trim a frame with ⅝" width of each border and add it to the frame on the front page of one of the cards.

2. Cut a 5⅝" x 6⅝" piece of *Sparkle and Glow* (b-side) and score 3 lines and fold them as shown. Open the card and add the 4⅛" section to the card.

3. Add the Ephemera element shown to the 4⅛" section, apply adhesive on the ½" section of the piece attached to the card and add it to the front page of the card.

and finally, add the "I Love You" quote over the leaves.

5. Cut a 5½" x 3⅞" piece of *Enchanted Frocks* (b-side) adhere to the back of the card.

6. Take the piece trimmed when we did the card's frame and add it to the back of the card and rub-on the elements shown.

7. For the envelope, cut a 5½" x 2" of *Enchanted Frocks* (b-side), trim the lateral edges and add it to the envelope's flap. Rub-on the elements shown to the bottom left corner of the envelope.

~ Card No. 2. "Sprinkle Love"

1. Cut a 5⅝" x 4¼" piece of *Enchanted Frocks* and trim a frame with ⅝" width of each border and add it to the frame on the front page of one of the cards.

2. Cut a 5⅝" x 6⅝" piece of *Lilac Lavender* and score three lines and fold them the same as we did with the card No. 1. Open the card and add the 4¼" section to the card.
