Directions:

- This is an Accordion Album wrapped by a conventional binder. First, we will work on the binder.

1. Cut two 8" x 6½" pieces of Black Chipboard and a 1¼" x 6½" piece of Black Chipboard. Cut a 3" x 8" piece of *Brains, Heart & Courage* (back) and add the narrow piece to the middle and add both 8" x 6½" pieces next of each side leaving 3/16" between the pieces, then, wrap the upper and lower borders as shown. This is the spine of the binder.

2. Cut a 3" x 6¼" piece of *Brains, Heart & Courage* (back) and add it to the spine.

3. Cut two 7½" x 6½" pieces of *You Were There All Along* and add them to the front and back cover of the binder.

4. Cut a 3¾" x 4¾" piece of *Field of Poppies* (back), round the corners and add it to the front cover leaving 3/8" from the right edge and ½" from the bottom edge.

5. Cut a 4³/₈" x 4¹/₈" piece of *Field of Poppies*, round the corners and add it to one square tag, insert a piece of ribbon through the hole (optional) and add this tag to the front cover as shown.

6. Add the bigger blue frame shown to the upper section of the tag.

7. Cut a 5¹/₄" x 3¹/₄" piece of *Shared Experience* and add it underneath the big blue checkered frame shown, then, add this frame to the front cover leaving 1" from the

right edge and 1¹/₈" from the bottom edge.

8. Add the chipboard elements (4 friends) to the frame on the front cover, then, add the "Happiness is the best thing in the World" label to the front cover.

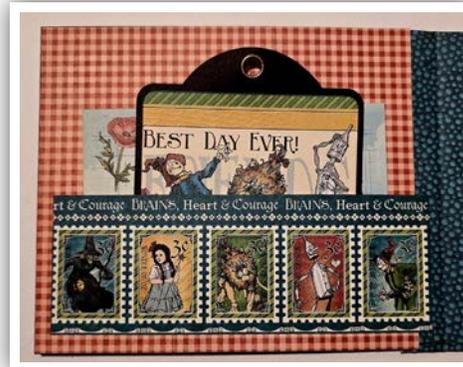

• Inside of Front Cover

9. Cut a 7¹/₂" x 6¹/₂" piece of *Poppy Red Pattern & Solid* and add it to the inside of the front cover.

10. Trim the border shown (5 stamps) and add it to the inside of the cover as a pocket (adhesive only on the lateral and bottom edges). Insert a card into the pocket.

11. Take the card shown and trim it to get 4¹/₄" x 4", round the corners and add it to a square tag. Insert it into the pocket.

• Base of the Accordion Album

12. Cut 5 pieces of Black Chipboard (7¹/₂" x 6"). Cut a 3"x 6" piece of *Brick Road Yellow Pattern & Solid*, fold it by the middle in the 3" direction and add each half to two chipboard pieces, this will work as a hinge.
