## Notes:

- All measurements are width x height, unless specified.
- Cutting located on guide on the back page. When cutting papers, be mindful of the pattern direction.
- These directions are for three cards. The steps are fun and simple. You can create three more cards following the same steps, using the remaining supplies and papers!
- You can use scissors to distress the edges of the pieces used for these cards.

## Directions:

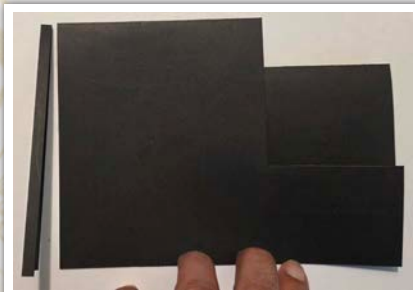

### General instructions

A. Take a black cardstock piece of the cards package and score and trim the lines as shown. After scoring and trimming the lines marked, fold the cards as shown.

B. After folding the cards, trim  $\frac{1}{4}$ " from the left edge. We are going to decorate these cards with chipboard pieces and trimming slightly this edge will fit easily in the envelope.

C. To make the instructions easy to follow; use a pencil to mark the card sections with letters as shown in the following image.

### ~ Card No. 1.

1. Cut a  $4\frac{1}{8}$ " x  $4\frac{7}{8}$ " piece of *Bewitching Lay-out* paper (back) and add it to the section "A". Open the card, cut a  $4\frac{1}{8}$ " x  $4\frac{7}{8}$ " piece
