## General Directions

*See image.* Place the card horizontally on a scoreboard and score at 5 1/4", 6 1/4", 8 3/4", and 9 3/4". *Trim away the top 2 1/2" section on the right side as shown.*

### Card No. 1

1. Place the card in front of you with the trimmed section on the left. Cut a 5 1/8" x 5 1/8" piece of Holly and Bows paper and adhere it to the front of the card. Add the card shown (Journaling Cut-Apart) to the upper right section.

2. Cut the following pieces from the Polka Dot Charcoal Black paper specified for each card: Two pieces at 7/8" x 2 5/8" and one piece at 2 3/8" x 2 5/8". Adhere these pieces to the three scored sections as shown. Apply adhesive to the final section of the folded portion and attach it to the card base. The finished mechanism should fold flat when pressed against the card.

3. Flip the card over. Cut a 5 1/8" x 5 1/8" piece of the Polka Dot Charcoal Black and adhere it to the back of the card. Cut a 2 7/8" x 4 3/4" piece of the Holly & Bows paper and adhere it to the left section on the back of the card.
